

ERASMUS+ PROGRAMME, Erasmus+ - Key Action 2 Capacity Building in the Field of Higher Education

Vocational training center for undergraduate university students and teachers in Jordan
Project No: 561708-EPP-1-2015-1-DE-EPPKA2-CBHE-JP

The University of Jordan 26/6/2018

Overview

Title: Job fair day

Location: The University of Jordan – School of Engineering.

Under the patronage of the Acting President of the University of Jordan, Prof. Imad Salah, a job fair day was held for the University Jordan students in June 26, 2018 with participants from different sectors, companies and training centers for undergraduate students.

The participated companies: More than 15 companies and institutions from different sectors participated in the Job fair, they varied in specialties to form a line of communication with students expected to fit their Engineering specialty, and to access real jobs available in the labor market.

During the job fair day, we disseminated VTC project by a booth with a VTC roll up and brochures, presented the objective of this project and what can VTC project give for the under graduate students

The objective of this dissemination is to introduce VTC project and the objective of the project and the training where conduct during the period of the project till now.
