

We have done a lot of activities to disseminate VTC project:

1. Coordination management meeting with private companies in AABU.
 2. Applying the questionnaire on the institutions to know the market needs and for promotion the idea of the project.
 3. Visits to universities and schools.
 4. Making Posters and flyers about the VTC project and distribution it for external partners.
 5. Distribution of project documentation material via social media.
 6. Presentation and workshop about vocational training center and smart education package at Al-Balqa' Applied University.
 7. Meeting with the Jordanian Media Institute about the digital education package.
 8. Smart learning and e-training workshop.
 9. Hasan Industrial City Management meeting: Workshop with the industrial companies to determine the market needs and promote for VTC project.
 10. Promotion the project through Digest.
-
