Erasmus+ - Key Action 2

Capacity Building in the Field of Higher Education

Project Number: 561708-EPP-1-2015-1-DE-EPPKA2-CBHE-JP

Vocational training center for undergraduate university students
and teachers in Jordan (VTC)

Portugal Training Workshop at BAU

April, 14, 2018

Training topic:

**Digital Platforms in Teaching: Learning process
framework and digital resources, 21 st Century skills
students outcomes**

Training objectives: With this training it is intended that the trainees: * make rational and efficient use of new technologies in their teaching activities / other activities; * integrate the scientific, technical and pedagogical components in the preparation of lesson plans / other plans with digital resources; * Build and implement strategies that include the use of tablets, smart-phones and PCs in the classroom / other educational / collaborative work environments; * create or at least adapt digital resources for use in the classroom, or by students / trainees outside the classroom; * become more proficient in the use of tablets, smart-phones and PCs; * Collaborative use of digital platforms.

Training contents:

1. Presentation: clarification of methodologies and forms of evaluation.
2. Presentation, discussion and accomplishment of

practical tasks related to the following topics

- 2.1. The use of the tablet, smart-phone, PC in the context of the trans-disciplinary projects
- 2.2. The trans-disciplinary projects and the working tools
- 2.3. The project methodology
- 2.4. The digital content in the trans-disciplinary project
- 2.5. Research in the digital environment
- 2.6. Operationalizing different curricular areas in a single product
- 2.7. Approach of the STS (Science Technology and Society) in the perspective of science and technology education
- 2.8. Citizenship and the transmission of information in the global world
- 2.9. Development of the autonomous work of the trainees - experimentation of resources presented in the face-to-face sessions.

Methodology:

In the sessions the subjects are presented by the trainer following moments of execution of practical tasks proposed by the trainer and free trial of the resources approached. Each trainee will have the opportunity to develop and share their ideas and experiences.
